

Delegation Preparation Checklist

To remember what you need to communicate when you delegate,
use this worksheet to prepare yourself before the actual delegation itself.

Explain the big picture; *How does the task contribute to the overall goals?*

Explain the details; *What essential detail should you communicate?*

Discuss resource support: *What kind and how much resources or help needs to be given?*

Give Authority and Decision-Making Power: *What authority and decision-making power are you going to give?*

Clear about expected outcomes: *What is the exact definition of the result you expect?*

Get agreement: *What is the deadline? When are you checking in with each other? How are you going to ask for commitment?*
