

Self-Evaluation

**This worksheet helps you to evaluate yourself
in a disciplined and systematic way.**

**Rate performance and write comments and
it will help you to understand yourself better.**

Employee Name:

Date:

Delegated task:

What part of the delegation process did I do well?

What could I have done better?

Did I define and communicate the desired outcomes?

Did I set up a mutually agreeable deadline and establish appropriate check-in points along the way?

Were my quality, cost, and schedule requirements clear?

Did I provide suitable resources and authority to the employee?

If it did not work out well

Why didn't it work well?

What was the root cause of the problem?

Were alternative approaches available?

If alternatives were available, why didn't I consider them?

Which alternative course of action, in hindsight, would have been the best choice?
